Sir:

The Office Communication mailed 10/24/2005 stated the following:

- 1) Claims 1-6, 13 and 17 are rejected under 35 U.S.C. 103(a).
- 2) Claims 7-12, 14-16, and 18-20 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In response to the office action, the applicant has deleted claims 1-6, 13 & 17, and rewritten claim 7-12, 14-16, and 18-20 with all of the limitations in the rejected base claims. The applicant will submit a continuation application to restate the rejected claims in better contrast with respect to the sighted references. Withdrawal of all rejections is respectfully requested.

Please amend the claims as listed below.
